Description

Our client is looking for a Sales Manager to services the North of England. Our client services the whole of the UK and the role is a new role due to expansion. The ideal candidate has to be based in the North of England (North of Birmingham). The ideal candidate must have RF & Microwave Component sales experience.

This is a home based role with frequent travel to customers. The client is looking for someone who is used to managing in excess of one million pound turnover because this is approximately what the South of England is currently turning over.

Responsibilities

- Pre-sales technical assistance
- Solving customer problems
- Convincing clients that a product best fits their requirements
- Ensuring sales targets are met
- Sales, Marketing, business, pricing, forecasting, planning etc
- Managing channels
- Evaluating current product mix
- Reports
- Working with R&D & Marketing departments

Qualifications

Ideally applicants will have a minimum of an HNC/ HND in electronics or at least 5 years, time served, in RF & Microwave sales.

Job Benefits

- £40000 to £50000 basic salary plus benefits
- Company car or car allowance (value £500 to £550 per month)
- OTE (20% of basic salary)
- Pension (8% vs 8%)
- Health Care
- Home office allowance
- Laptop & phone
